

ABOUT ASHLEY MASON

Ashley Mason has been Director of Innovation and Technology under the Office of the County Manager for Lee County Government since April 2019. Prior to that, she was an account executive for the county's IT vendor for 12 years.

Ashley has held roles in telecom, project management and technology infrastructure. She also has past municipal experience. She leads a team of 64 employees that handle Lee County Government's internet, phones, websites, applications, end user management, infrastructure, 100-plus miles of county owned fiber, A/V, GIS, and cyber security.
